

Instructions for FBA-BIP Webinars

- 1) Open [“FBA-BIP Webinars, Materials, and Instructions”](#) folder.
- 2) Open the designated webinar folder for the webinar you would like to complete.
- 3) Print all documents housed in the “To be printed” folder for this particular webinar.
- 4) You may choose to also print the “Printable Presentation” document for note-taking (optional).
- 5) Use the designated hyperlink in the table below to complete the pre-test for each Webinar BEFORE you view webinar:

Webinar	Pre-Test <i>(to be completed prior to webinar)</i>
Webinar 1: History and Science of PBS	Webinar 1 Pre-Test
Webinar 2: Defining Behavior and Data Collection	Webinar 2 Pre-Test
Webinar 3: Baseline and ABC Data Collection	Webinar 3 Pre-Test
Webinar 4: FBA Data Analysis and Hypothesis Statements	Webinar 4 Pre-Test
Webinar 5: Antecedent Modification and Prevention Interventions	Webinar 5 Pre-Test
Webinar 6: Replacement Interventions and Reinforcement Strategies	Webinar 6 Pre-Test
Webinar 7: Behavior Intervention Plans and Progress Monitoring	Webinar 7 Pre-Test
Webinar 8: FBA-BIP Process from Start to Finish	

- 7) Have the printed “Process Packet” readily available for completion as you view each webinar.
- 8) Open the mp4 file for this week’s designated webinar video and view.
- 9) Upon completion of webinar, use the designated hyperlink in the table below to complete the post-test following each webinar:

Webinar	Post-Test <i>(to be completed after webinar)</i>
Webinar 1: History and Science of PBS	Webinar 1 Post-Test
Webinar 2: Defining Behavior and Data Collection	Webinar 2 Post-Test
