Writing & Embedding  
IEP Goals

Preparing Students for GAA 2.0

**11/29/22**

**3:30-4:30**

Self-Help Skills

**4/26/23**

**3:30-4:30**

FDRESA's Adaptive Curriculum Community of Practice meetings will provide a virtual forum for educators in self-contained classrooms across our region to focus on sharing best practices, discussing their own experiences, and creating new knowledge to advance their professional practice. GLRS staff will facilitate sessions on a given topic, provide Mini-Trainings, showcase the talent of and encourage discussion and collaboration between adaptive curriculum special education teachers in the First District.
